Hi Everyone: It's Spring and its getting warmer and the trees are filling up with leaves. That is important right now, because they block the sun while working on the vehicles in the driveway. Yes, it is that time of year again, and Tower Park is just a few days away. I have already started getting stuff ready. I have been talking to many members helping them get squared away with convention details like camping and hotel reservations. If you are having problems getting camping sites, the direct phone number to the office in RV North at the fairgrounds is 925-426-3340 and ask for either Angelique or Monique. **Make sure you tell them you are inquiring about camping at the MVPA Convention in August.** There are other groups having events at the fairgrounds and the staff has been told not to accept reservations for those yet. This may cause confusion on their part. I have been told the fairgrounds has taken their reservation system offline for upgrades, and it will be back up by May 1st. Regardless, they are taking reservations, even if by hand, and will enter them into the system later. I was told they will send you a confirmation soon after you have registered. If you look on Page 14, you will see the site map. Any questions feel free to call me. My number is above.

The word is we will have convention shirts for sale at Tower Park. Come by the Pavilion and meet the board members who will be staffing the quartermaster's table. Get yours early. Speaking of that, the club is still seeking a volunteer to fill the quartermasters position. Why not step up and volunteer. Come and see me about what the job entails and the perks. I hope to see everyone at Tower Park and remember to wear your member's badge and carry your membership card. Everyone has those right?

Please think about safety while working around the equipment especially while traveling.

Dave

Hello to everyone in the North Bay. I think everyone by now has moved their clocks ahead 1 hour (fun fact) except for the Navajo Nation community of the state of Arizona, all of Hawaii, American Samoa, Guam, Puerto Rico, and the Virgin Islands. Some parts of Indiana did not observing DST in the past ,1970 to 2006,. As of 2016, Indiana has 12 counties observing Central Daylight Time while the remaining 80 counties observe Eastern Daylight Time. I am still working on the trucks. I hope to have them done to go to Camp Delta in about 4 weeks, April 18 thru 24. I called the park (209-369-1041-press #2) to check my reservation, all OK, I found out that the park is under new management and nothing else has changed. I have a lot of Dodge parts to sell but to many parts to bring them all, SO, If you are wanting or need a part please call me, 707-552-6918, or E-mail me, [sonnyhanson@comcast.net](mailto:sonnyhanson@comcast.net) , and I can bring it with me. I will be there on Monday 18 to Sunday 24. Space # 318. I am the POC for the Monday Early Bird potluck Dinner at 1800 hr in the Pavilion. (that's 6:00 pm) If you should have any questions or ideas please contact me at info above. Please have a safe trip. Sonny Hanson Your MVCC North Bay VP east

South S.F. Bay Area, Upcoming events, Tower Park (Spring) gathering, Memorial Day events, Fourth of July parades, MVPA Convention in Pleasanton, Tower Park (Fall) gathering, Veterans Day parades, and our semi-annual Christmas Party. There are other small & big events that do take place during the year in the S.F. Bay Area, some I know about and some I do not know about. If you have an event, that is not posted, let me know by email. Please email me; the who it is,,, the what it is,,, the where it is,,, the date it is,,, and who the point of contact (POC) is. Sometimes I get notice of an event and have no time to post in the newsletter, so I will post those events in the MVCC section of the G503.com (a thank you goes to Ron Fitzpatrick Jeep Parts for maintaining G503.com) Family & personal commitments preclude me from attending every event that comes up. That said, if an event is listed, and you think you want to attend, attend it! Groups that have asked for our support, would be happy to see just one vehicle and be overjoyed at seeing more of them. Here a few simple rules to prevent frustration from attending stuff, that I have learned the hard way. First, Validate for yourself, that the event is still going to happen on that date and the where and when they want you to show up. Second, Maybe if you post that you are going, others will "drop in" (a MVCC tradition). Third, Every event has a theme, sometimes it's military, sometimes it's not, so know ahead of time. Fourth, Prepare yourself, with food, drinks and patience, for the always present "hurry up and wait" conditions. Fifth, Stay, if all goes well (or bad), you will have an experience to talk / laugh about. Sixth, If you are not having a good time or the event is a CF, leave at any time.

A few precautions. If a group wants to keep your vehicle overnight (without you present) or display it someplace away from your observation, or if they want to drive or move it around without you. DO NOT ALLOW IT. Do not leave your keys in the ignition. If you have accessories, stay with your vehicle or appoint somebody to stay with your vehicle. Middle ground is to zip tie the accessories down, so they will not walk off. A lot of times, kids and adults will climb into your vehicle (without permission) for that Kodak moment. Sometimes the public thinks your vehicle is a drink holder. So stay with your vehicle or appoint somebody to stay with your vehicle. If you must leave for a short while, block off access to the seats & interior and post that your vehicle is privately owned and to please stay off / out of the vehicle and that trespassers will be (figuratively) shot or be prostituted (I mean prosecuted) to the full intent of the law if damage occurs.

Remember you are part of an organized vehicle club, and to promote the MVCC. Our club does have business cards and membership flyers that you can hand out. Most area VPs and our EI Presidente, have those cards and flyers available.

Lastly, some of the real fun events in the past and some of those that are forthcoming, were MVCC member initiated. So if you think something would be fun for the club to do, explore it. You may find out it is possible to create a fun event, or find it possible to join in with another groups fun event, with just a simple phone call.

Hello Northbay West and beyond,

We are rapidly approaching our spring meet and convention. With that being said, I would like to write about a feature for the Convention that I am involved in and very passionate about. That is "Camp Grizzly"! If you haven't heard we will have a area that is dedicated to a "Living Encampment" This simply means that we will have period correct camps that we will be inhabiting. Our vision is to have tents, maybe repair/ motor pools, supply depots, fuel dumps, an M.P. detachment, Medical/ Battalion aid station, mess halls, whatever you would have in a combat zone. Use your imagination and contact me with your ideas. You have seen the large military tents set up in the "Dog Patch" (back field) at Tower Park every spring. Well we want to blow this idea up! We tried to do this a couple years ago at Tower Park with a lot of verbal commitments and when it came time to "show your cards" it was the usual suspects. This is Convention! Lets show up and let the country know that we do it like no other club in the Nation! Now I know there is a lot of you with these toys and would love to show them off. Contact me and lets get it set up. Right now I will be bringing out a couple of my tents and setting up our WWII mechanized cavalry impression. We will have a Vietnam camp and another WWII camp. I would love to see some

British camps, Korean Camp, WWI camp, maybe even a Civil War camp. Let the public get a glimpse into what life would look like living in the field. I will be in the back corner of the "Dog Patch" at Tower Park. Come talk to me with your idea and lets get you in the show. The public loves this type of thing and it allows us to educate the public and promote our club to more than just the Jeep owners. We are soooo... much more than this, an in order to grow we need to branch out. The stage is set, now lets put on a good show! Out In Front,

I do not know about you however, this year is flying by. We have a lot of new events. We did a little show for the 50th anniversary of the Vietnam War. Randy brought his M38A1 and his Mutt, Thor brought his mule and Ed his Mutt.

I have a couple of deadlines for you guys to contact me for going to some of the events. The events coordinators are asking for head counts in advance. If you want me to put an event in the MVCC news, please remember to give me the event in full. With the convention around the corner and the fact I am running two businesses, and trying to do a restoration, the lower hanging the fruit the happier I am going to be. "HINT"

Also I am going to limit the events to no more than a two hour drive tops. This is really due to size of "on the Radar". If it gets too big nobody is going to want to fight through the email.

New or Updated events will be in red for those that get the email so that you can be aware of the added event or changed info. My comments are still in Red.

As I stated last month, do not forget to get your membership dues in for the MVPA and MVCC to get the total benefits of your membership and the convention.

You can also register on line for the convention as well. (hq@mvpa.org).

At our "Social" at Tower I want to get a head count for the Dinner & Auction and Awards Banquet. I want us to get a table or two together for us 925-510 guys. If you have any questions about the convention and the forms please feel free to contact me via email or cell 925-963-1995. For our group of guys, Debbie and I are having a hospitality "social" at camp site 355 (Ed Schommer's site on the back fence at the far east side. Thanks to Ed for his generosity). It will start Friday the 24th at 0900. We are going to be bringing in fresh Starbucks Coffee, Doughnuts, muffins and Mimosas. Do not miss out. If you are in the 925-510 Area code I am going to be calling you to get you to stop by if you are out there. So beware...lol

Thanks Mike.

## **Bringing Multiple MVs to the Convention**

**By John Neuenburg**

We mentioned that a number of people lucky enough to own more than one MV are planning to bring more than one to the big show. Display-Only vehicles are registered for free and pay no fairgrounds parking fee. Some are fairly easy to deal with, like towing a military trailer that often stays home, or throwing the military bikes, scooters, or even a Mule in the back of the truck. But driving larger vehicles usually involves multiple drivers or a helper shuttling one driver back and forth from the motor pool. Even trailering them requires a place to park vehicles before or after the show.

It would be great if members can help other members do this. It might work out that when you drive back home after delivering your vehicle to the fairgrounds, you could take a buddy who lives near you so he can grab his second vehicle. As you are talking with your friends at Tower Park about what you are planning, please think about this.

If you have room on a trailer for more than the MV you are planning to bring, or a transport trailer that will be unused, can this be used to transport someone's MV that otherwise will not make the event? If so please let Dave or me know. Email is best so we have a record of it. Same goes if YOU need help. We will put people together. There are plenty of people out there who will chip in for fuel to have their truck hauled to the show and back. Are you getting a great rate from a commercial company? Let's pass this contact on to others. Last month Jack Valenti mentioned a family location near Pleasanton where some MVs can be stored before or after the show. You are also welcome to park MVs at the fairgrounds early in the week so they are at hand on setup day. Use the parking lots adjacent to the two close-in campgrounds, or in a campsite if you have a buddy renting one and he has room (if you will have room please sound off. There are campsites to 20'x70'). These locations are not as secure as our fenced show area will be Wednesday-Sunday but there will be committee people camping there from early in the week and hopefully they can watch for anything odd going on. We don't know yet if we will be renting lockable overnight space before Wednesday. We are trying to control costs.

If you can help a fellow member or need some help, contact me at [in\\_garage@hotmail.com](mailto:in_garage@hotmail.com) or 415-847-2801 or Dave Ball at [vought@msn.com](mailto:vought@msn.com) or 408-805-0065. Dave and I will compare notes.

## **Convention Committee Volunteer List**

**By John Neuenburg, MVCC Convention Committee Co-Chairman**

On the Member-Only side of [www.MVCCNews.net](http://www.MVCCNews.net) we have published a list of committees and volunteers we have so far. If you don't already have a login name and password, ask Webmaster Sean Nichols. If you don't use a computer give Dave Ball or me a call and we can talk about it. Please look it over and if you don't see your name but would like to help, please contact a committee chairman or us.

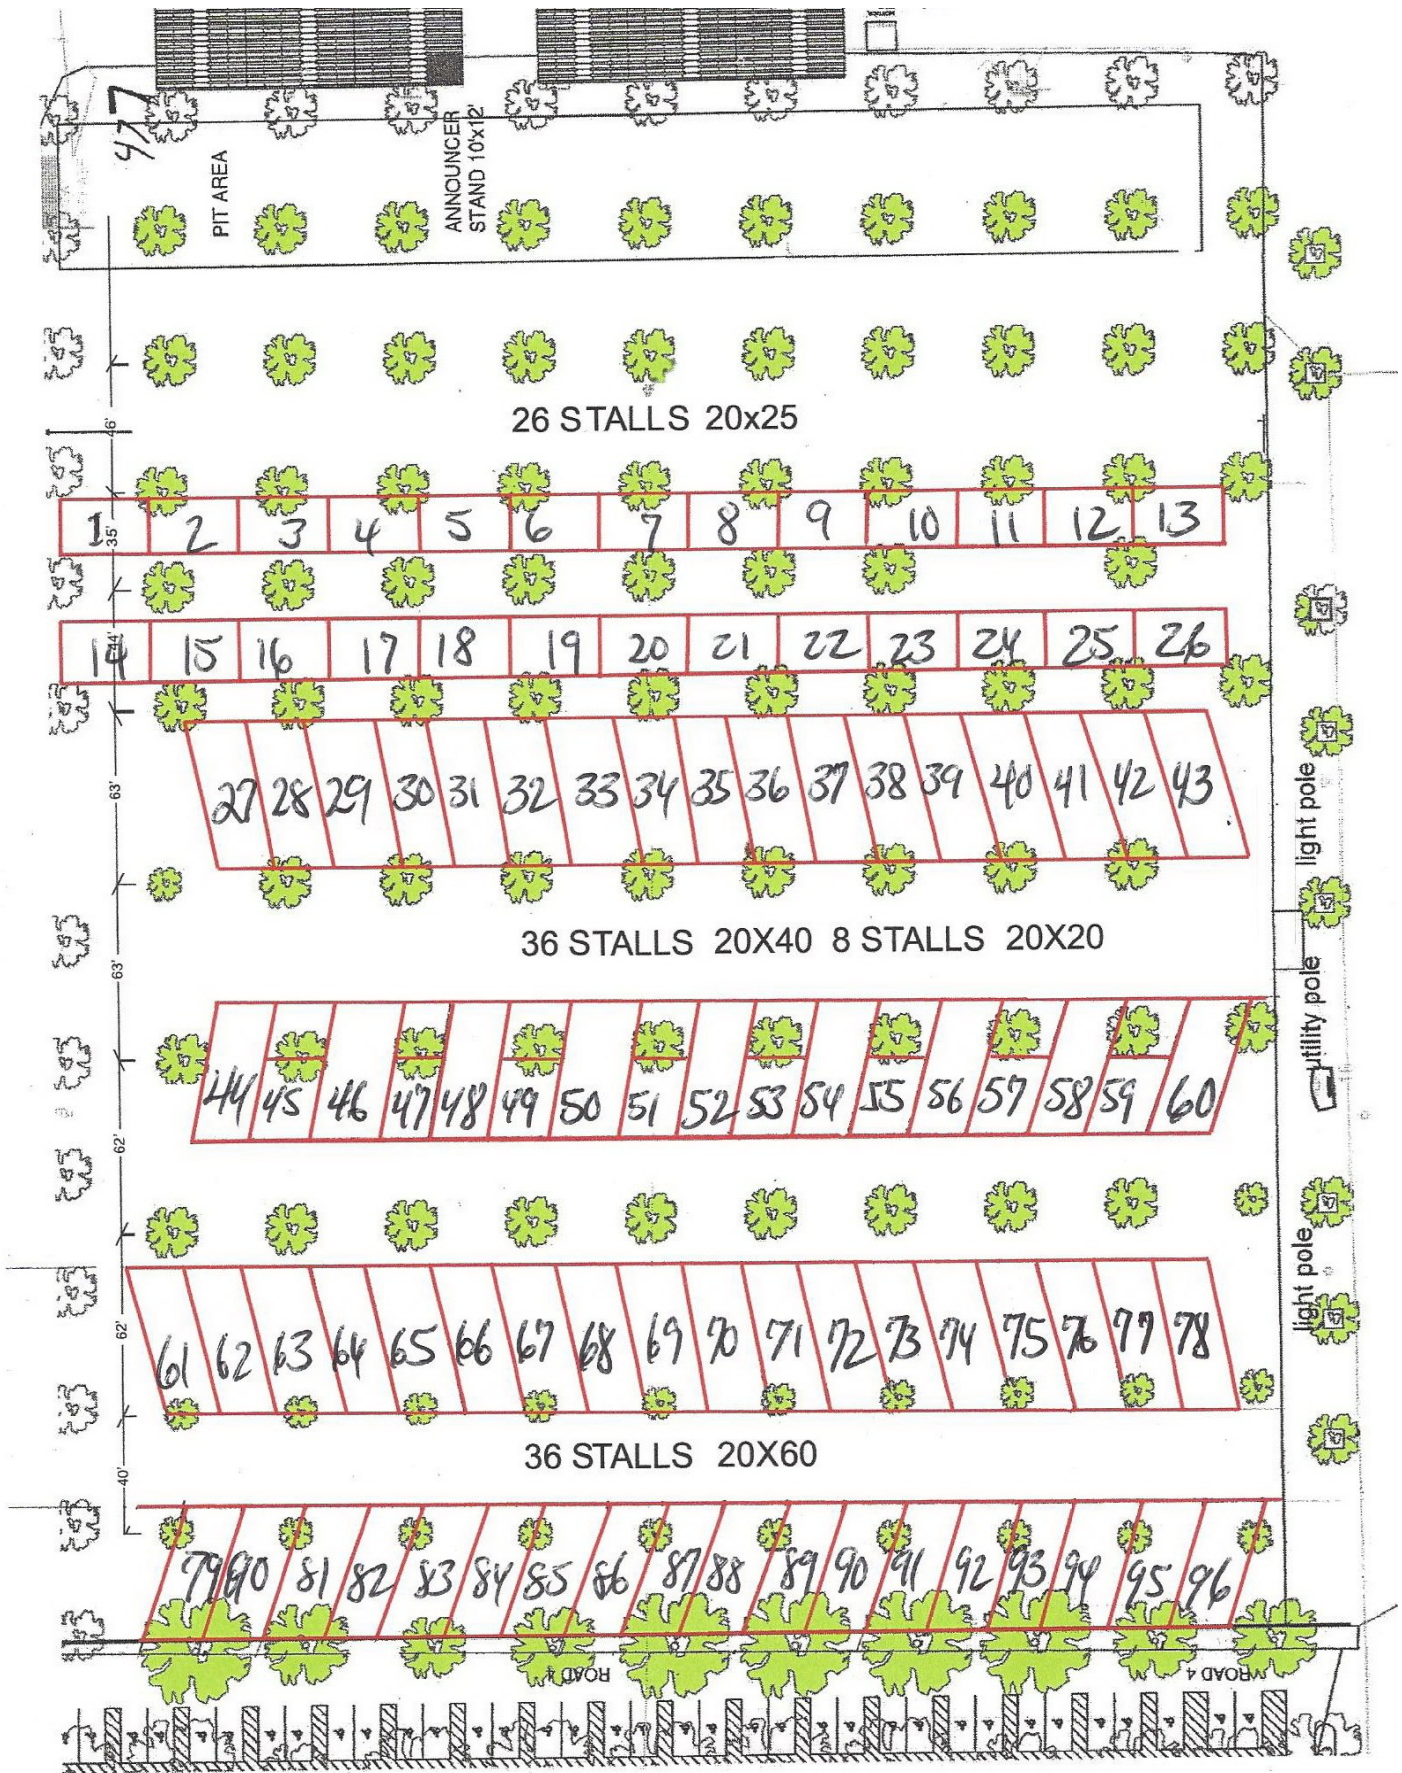

If you see a question mark by your name it means we are not sure you have volunteered for that committee or perhaps your buddy mentioned you might be interested in doing something but as of this writing we have not confirmed that. Maybe it's just our wishful thinking! If you are interested in a different committee or more than one, please get on our radar screen. Some are active on certain days and not others, or work more at certain times of day. For example the Vehicle and Vendor Committees are busiest on Wednesday but we need some people on duty or on call every day.

Just tell the chairman what time you have available and make sure he has your email or phone number.

As the event gets closer the chairman will figure out staffing. Even if you only have an hour or two to help, that's great. More hands = less work and everybody gets a break.

Let's talk about this prior to and during Camp Delta. If you want to find a chairperson or POC at Tower there is a cool interactive campground map on our website. It shows who is staying where. Or find Dave at Cabin #363 or me at site #386 and we'll point you in the right direction. We'll have a Convention meeting on Friday early afternoon.

- For activities or display info contact coordinator John Neuenburg at 415-847-2801 or [in\\_garage@hotmail.com](mailto:in_garage@hotmail.com)
- There might be a camping wait list for this meet. Reservations & requests must go through Jo-Ann Lesser 408-238-8277 or [mamalesser@yahoo.com](mailto:mamalesser@yahoo.com). (September event camping procedure is to contact KOA directly). See [www.MVCCNews.net](http://www.MVCCNews.net) for details. Certain display areas are OK for living history style camping and MV display parking. Reserve with John N.
- No non-MV parking in the campgrounds unless in a paid campsite. Park civvy vehicles on the levee, campground side. Those parking on the river side where the boat tenants park might be towed. Roads are fire lanes and illegally parked vehicles may be towed to Lodi or Stockton. Trailer parking is by the old guard shack - the lower field - with overflow across the street. Do not waste general parking space on levee by storing trailers there! Please observe all signs..
- No fires on the ground because the peat soil will burn underground. Fire pits and wood are available through KOA
- Prepare to peg the Fun Meter!

**Convention Hotel Room Block and Rates**

As you may know we have a customized reservation page for booking rooms at the Host Hotel, the Doubletree by Hilton Pleasanton at the Club. The link is on the MVPA and our websites. We talked a lot about this place last month. If you phone the hotel or use their general reservation system, use the Group Code **MVC** to get the special rate of \$119 plus tax. If you check the regular rates in August you will know how special our rate is!

As of this writing the block of rooms we reserved at that rate for Tuesday August 10 has been consumed. When the MVPA Convention Chairman and we committed to a block of room nights, we told them how many we wanted for each day, Tuesday through Sunday. Turns out we had more people wanting to come in earlier than we forecasted. There is always a chance of a cancellation so you may try to book Tuesday, but see the next paragraph for an option. Important to mention here that if you plug in a date range that includes Tuesday you will get a message that “the rate unavailable.” Change the range to Wednesday-Sunday or whatever and this should allow a \$119 reservation, until another day is booked-up anyway. If you talk to a live agent they should tell you the situation for each date.

Although the regular August rate is well over \$220, we have been able to arrange for a \$189 rate for that Tuesday only, for ten rooms. This might be a good option rather than camping or using another hotel on Tuesday and moving to the Doubletree on Wednesday. We hope you can stay at Doubletree some of the days because it should be a nice experience plus the MVPA has guaranteed we will book our room block!

What is not shown on the reservation website (link is on MVCCNew.net) is that we negotiated a special rate of \$129 for the prior Friday-Monday. Plug in any or all of those days and you will see it. So for tourists coming in early and wanting to have their base of operations in the Tri-Valley area, this is a way to control your cost. We know of one couple who will be at Doubletree Monday, then Napa Valley for wine tasting on Tuesday, staying up there one night, and back to Doubletree Wednesday for the duration. Pretty slick way to avoid the Tuesday issue.

# GOOD MORNING VIETNAM

“Good Morning Vietnam Veterans Cruise” on the SS Jeremiah O’Brien Liberty Ship

This July 16 SF Bay cruise aboard the world’s only operational and unaltered WWII Liberty cargo ship is for all veterans of the Vietnam War and anybody else. We are working out the details of a display of period military vehicles on the pier next to the ship, with security while the owners are on the four hour cruise.

The ship will cruise along the waterfront and go past the Golden Gate Bridge. Eat hot dogs and ice cream for lunch while you listen to a band that apparently covers Jimi Hendrix! It is OK to bring your own food on O’Brien cruises. See the 2,500 horsepower, triple expansion reciprocating steam engine that appeared in a scene in the movie “Titanic.”

As of this writing we don’t know about a discount for those who bring military vehicles. The regular early bird adult ticket is \$125 with a ‘Nam veteran ticket at \$62. There are family and children’s’ rates too. All have a small service fee in addition. See details and updates on <http://www.ssjeremiahobrien.org/> and we will have more info in the next newsletter. John Neuenburg is POC, in [\\_garage@hotmail.com](mailto:_garage@hotmail.com) or 415-847-2801.

Note that the ship also sails every May for a Veteran’s Memorial Cruise with a wreath-laying outside the Gate. They also have cruises during Fleet Week and there may be a Light Houses of the Bay Cruise in August. We think we have them convinced to do a Fortress Bay Area Cruise next year, which may be a six hour visit to various military historical sites around the Bay.

A two part book covering the FORD built 4X4 Jeeps during WWII.

The book covers the GP Pygmy, THE GP pre-standardized Jeep, The GPA amphibian, The GPW Jeep, and most of the Ford Plants in the United States during WW2.

The book is 1088 pages and has over 500 photographs, some most people have never seen.

I will have a limited amount at Tower Park in April. So first come first gets to purchase a book.

I will offer a one time only discount price for those who purchase a book at Tower Park in April.

Call about our 50 YEARS+ accumulation of NOS parts for jeep vehicles!

Round fender model fits M38A1, CJ4, M151, WC M38A1.....	\$229.85

*Sewn in our canvas shop from Matrix car cover material. This fabric allows moisture to escape, but rain beads and rolls off. The inside is soft and gentle on your paint job. Can be used outdoors as a weather cover or indoors as a dust cover. This cover is custom fit to the vehicle and features a stretch band in the lower hem to keep the wind from lifting it. Fits over spare tire and gas can. Two large grommets are installed for a security cable or tie down running under the vehicle. Easy for one person to put on or remove. Light gray color outside, white inside. A storage bag is included.*
