IV Corps took part in the fighting through the summer of 1944, as the Fifth Army, under the command of Lieutenant General Mark W. Clark. In the autumn and winter of 1944, the IV Corps formed the central wing of the Fifth Army's sector, taking a major role in the Fifth Army's assault on the Gothic Line fighting to break through to the Lombardy plains beyond. In the spring of 1945 the corps, still the Fifth Army's central sector, took part in the successful Italian spring offensive breaking out of the Apennines to outflank German Tenth and Fourteenth Armies defending Bologna forming a pincer with the Eighth Army to surround them, and then driving on to the River Po and finally Verona and Brescia.

The corps was inactivated on 13 October 1945, at Camp Kilmer, New Jersey.

MVCC Fall swapmeet???
Second largest annual Military Vehicle gathering and swap meet in the West.
Date and Location TBD...

AT THE FRONT

Dave Ball, MVCC President
(408) 805-0065
vought@msn.com

Hello Everyone:

I hope everyone enjoyed the spring swapmeet at Camp Plymouth. I know I sure did! What a great location to have our swapmeet. I have heard nothing but good reports from all of you that have communicated with me. Talk about a swapmeet. We have not had attendance like this in a long time and there was a lot to buy and see. The two showcases were awesome with a great turnout. Officially, there were 61 Jeeps in the showcase and several that did not make it to the showcase for various reasons which put the total number in attendance at 80. That's a new record. I want to thank everyone that brought a Military Vehicle to the event. I also want to thank those that brought parts. It took me a couple days to dig through it all. We had a wide variety of vehicle types and some very nice first timers.

I want to thank all that worked on the many excursions and tours. What a great area to drive our slow moving iron in! The tour to the Foundry was especially interesting. So much to see and do in the area with lots of country back roads. Everything was green and beautiful.

At present, we are working out the details for the April 2020 Swapmeet to be held at Camp Plymouth with the 49er RV Park management. Please bear with us and as soon as we know something, you will read it here first in the newsletter.

Rest assured that if you had a site in 2019, that you will have the ability to roll it over for 2020. We will have the procedure to do that in place as soon as the 49er management team gets back to us.

I would like to apologize for the Jeep Kit Raffle and the failure to get it to camp on time. The kit was held up in customs with issues that were out of the MVCC's control. It was finally released, and we received it almost exactly one week late.

The MVCC has possession of the kit, and it is safely stored for the time being. Stay tuned as the plan is still to raffle it at some point in time. Details are in the works.

Thanks to all that helped make Camp Plymouth a huge success and a swapmeet that will not be forgotten soon.

Announcing the 2019 MVCC Board Elections

Please mail ballots back by June 15, 2019. The address is on the ballot. You will find them in the newsletter or as an attachment sent with the newsletter.

During the General Membership Meeting at Camp Plymouth, nominations were taken from the floor for all board positions. It was announced in the newsletter as well. Nominations were open until May 1, 2019.

Ballots are in the May newsletter. (You are looking at it).

The only positions not open to election are the Webmaster and Editor.

These positions are board selected.

The Editor would like to retire, and so this position is also open. If you are interested in being the new Editor, please talk to any board member.

Remember the club is run by volunteers. New people bring new ideas which prevents the club from stagnating and helps the hobby to grow. Please complete your ballots and return them on time.

AFTER ACTION REPORT

CAMP PLYMOUTH

APRIL 2019

Congratulations MVCC for the BEST spring rally ever!! Attendance was high and we had very few complaints. The rain early in the week made for a bit of a challenge at the fairgrounds as we had to find dry sites for some. As usual, our members were accepting of the issues and were happy to move to dry land. As this was our first outing at these venues we learned quite a lot. We definitely need help with trailer and public parking, service of the portables and lunch service on site at the fairgrounds. I was on site about 10 hours a day working the check-in table. Thank you to Glen Closson, Claire Werner, Barbara Settle, Cam Hoskin for stepping up and manning the table when I needed a break.

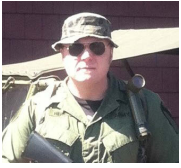

A shout out to Kurt Lesser for getting up every morning at 6 to make coffee for the folks at the fairgrounds.

Now, on to April 12-19, 2020. If, you had reservations through me at the 49'er RV Resort or the Amador County Fairgrounds you have nothing to worry about regarding your site for next year. Your name is already on my list and information will be coming soon as to how and when to pay for your site. If you were late in making a reservation and went directly through the 49'er reservation system, you must contact me to get on the official reservation list for 2020.

Any new reservation requests or site moves should go through me at this email address:

MVCCCAMPMISTRESS@YAHOO.COM Please remember to include your phone number in any correspondence.

Hello North Bay West and beyond,

Well we have finished with our first Spring Meet at our new venue in beautiful Plymouth California. What a great time and location for our very unique car show, swap meet, encampment, and gathering. The weather was incredible, the people were wonderful, and the environment was perfect for the type of event that we love to hold. We sold the most sites and I believe that our attendance was the highest ever, with room to grow. The feedback that I got from members, nonmembers, and locals was “thumbs up”! The Jeep showcase was awesome with more than 60 jeeps in the arena and estimated another 30+ in the event. That is over 100 JEEPs!! I know I spent more than I sold, but found a few items that I have been searching for quite some time. Overall, great show! I would again like to thank Dave and Nancy Porter for finding the venue and planning all of the great events that came with the meet. Outstanding!! I would like to see both spring and fall meets in Plymouth and I believe that is the feeling of the majority of the membership.

As I stated at the general membership meeting, I will be “shipping” out to go over seas in less than a month. I will be part of a group of six jeeps going to Europe for the 75th anniversary of D-Day and the invasion of Western Europe. We will be gone 3 weeks and will travel through 4 countries (France, Belgium, Holland, and Germany). I will be writing a series of articles being called “Report From Spearhead 6” the given name of our outfit. I can’t tell you how jazzed I am about this adventure. For this is my first time to Europe and to participate in the celebration of the one of the most monumental events in the history of man. Stay tuned for that.

We will have many events locally as we get into the spring and summer holidays. If you have an event that you want to promote, I would love to get in the newsletter. Locally we have the Rose parade in Santa Rosa, the FFA parade in Healdsburg, and the 4th of July parades in Napa and Novato.

Not sure if anyone got a copy but I received from an unusual source (a friend at the local gym), a copy of the "Plymouth" newspaper (Ledger Dispatch) dated April 26th 2019. In it was a very nice article in section B1; three column and a photo, then continued on page B7 with half a page with an additional 5 photos describing our event at the Fairgrounds and the RV Park. It looks like the reporter (Sarah Spinetta) got everything right including the MVCC web address.

I'm still awaiting the completion of my Porsche restoration. I thought it was going to be finished at the end of April, but due to some scheduling problems it looks like closer to the end of May; 22nd I'm told. The new tires and wheels have been installed along with both the front windshield and rear glass. When I saw it today they were working on the door assemblies.

Planning to take the jeep to the Memorial Day event at "Oak Hill Memorial Park Cemetery" in San Jose. Doug Boales will have T-8 along with some of his Armor at the event.

There are several car show in the area, generally charity fund raisers so there is a fee involved to participate.

Hello MV'ers,

Hope you all had a great time at Camp Plymouth. We sure did! I was down a few cylinders on the first couple of days, but managed to rally for the Convoy to the Knight Foundry. That was SUPER COOL!!!! I've been fortunate enough to work a bit in manufacturing and seeing how they did things around a century ago was fascinating. It's humbling to see what can be done without CAD/CAM/CNC and all the other toys we have now. The workers there were artists. Another thing that struck me, OSHA would love that place!

Abigail, our hound, decided that Camp Plymouth was the Best MVCC Event Ever and she's seen a few. This may have to do with her theft of a very nice steak from our neighbors. Turns out she felt that if the grill was at her height the steak must be for her.

There are 3, those humans surely won't miss one...

Step 1) Recon pass.

Step 2) Pretend to ignore steaks on 2nd pass, lull humans into false sense of security.

Step 3) Snatch steak with lightning speed.

Step 4) Burp!

Sorry Pete!!!!

I have to agree with Abigail. Hilde and I both really enjoyed the event and it was great to see everyone come out for it.

Many people worked hard to put it together and it was a blast!

On the radar for the 510/925 Area:

5/18/19

Touch a Truck

Tim S. told me about this one. It's from 10-1 (arrive at 9:15 to set up) at 1565 Green Valley Rd, Danville, 94526 (Rolling Hills Community Church). Here's what the organizer says: "Our parking lot will be filled with several different trucks (fire, garbage, tow, etc.) for kids of all ages to touch and see their favorites up close! Not only will they see the big trucks, but we'll have small play areas, games, and craft stations. This is a free community event." Looks fun to me...

5/25/19

Camp Lee Motor pool

You need to attend this! There's MV's, there's food, there's camaraderie, and Lee promised something about grass skirts and coconut bras... If you've never visited Lee's Bat Cave it's great fun and educational too. Lee's assembled a veritable museum/garage mahal that is just plain wonderful!!!! It's from 1200-1800 and you need to RSVP to Lee or myself by 1000 May 20th.

7/4/19

Danville July 4th Parade

It's the 100th Anniversary American Legion so it's a big event for them and there will be a bunch of members needing transport.

I'm going to keep pushing this one. If you plan on attending please send me a note so I can work with Eric A. to arrange transport for all of the American Legion members. Like I said, I can't carry all of 'em in the M37 so come out and use those troop seats!

8/31/19

Camp Stoneman Celebration

From Steve K. I've heard there will be an event celebrating Camp Stoneman. It will be from 10:30-5:00 pm in Pittsburgh. I'm waiting on further details and will keep you updated.

Once I get my newly whining generator bearing fixed I hope to see you at an event soon.

Andy

Treasurers after action report:

MVCC Members and Friends,

I want to start by saying thank you to all who came and participated in this year's meet! Whether you came for the whole week or just a day or whether you came from far away or just down the road I/we/MVCC thanks you for joining us at Camp Plymouth and making it a great event! I can't say enough great things on how welcoming the community of Plymouth and surrounding communities were to our Club. They truly surpassed all expectations and made us feel right at home. I also want to express a heartfelt thank you to the MVCC Board, MVCC President, MVCC volunteers and MVCC members who worked so hard to make this year's event happen. We even had some non members working hard to help us as well. If you were lucky enough to attend the Knight Foundry Run (which was one of the most awesome runs I ever done to date) then you saw how all the machines in the shop ran off of all those belts and wheels powered by water. I kind of feel all those who worked so hard to make this year's meet happen are just like all those belts and wheels working together to pull off such a great event. So basically I'm saying the MVCC is Awesome! Ha Ha. Another important thank you goes to all who volunteered their time making food or coffee or undertaking an event or standing in the fairgrounds booth for hours on end helping people check in (cough cough "JoAnn") or pick out the right size t-shirt in the MVCC Booth or sign up new members. They not only helped have a great event but allowed us the time to attend a few. There was a great turn out of volunteers at the club booth this year! I ask that you feel free to send us any comments on how you think we can help improve anything for next time around.

I hope we all have a great summer and I look forward to seeing you all next time... You think they will still have the indoor pool!? J

**“GOOD MORNINNNNNNGGGG” Fellow MVCC Members,
MVCC Secretary’s after action report...**

WOW, that event was pretty Cool! I’m home going through membership applications, lots of them from Camp Plymouth which is a great sign for the hobby. Lots of new members! YES! **People I met and talked to at this year’s event were from** Canada, Washington, South Dakota, Oregon, Idaho, Minnesota, Wisconsin, New Mexico, Arizona, Utah, Nevada, Alaska and of course California. That’s pretty Awesome if you ask me.

Thank you’s! I want to thank the MVCC Board, the MVCC President, the Members, the volunteers and EVERYONE that came to this year’s event! As soon as we posted that the MVCC would have its Spring Meet in Plymouth we started to get good vibes. Plymouth is located near HWY 99 which we all know is the pipeline to Central California which helped with travels for many. The area is beautiful no doubt, lots of rain this year made the hills green as far as the eye could see. I heard someone from the 49er say we had as many as 3,000 people come through the front gate at 49er, that don’t include the people that came in through the other gate at the Fairgrounds side! That’s a lot of people that came to an inaugural event (first time there). **In the MVCC HQ booth** we sold out of MVCC antenna Pennants, MVCC hats, MVCC coffee mugs, MVCC wine glasses and lots of sizes of Camp Plymouth t-shirts, we started with 275 t-shirts and now only have 20, how cool is that. The MVCC HQ Booth was open Thursday, Friday and Saturday. Great turnout as you can tell.

61! The number of jeeps in the Jeep Showcase! **20!** The number of jeeps driving around or parked that didn’t enter in the showcase! Thank you Damon Viola and Sean Nickols for putting the Jeep Showcase on! Thank you Don Gomes for putting on the GTB Burma and Bomb Truck Showcase, only 15,000 made so they are few and far between. **POKER RUN**, thank you Dave and Nancy Porter for coming up with and putting on the MV Poker Run! Lots of compliments on it.

The Friday Night MVCC Annual Raffle brought in \$800! Thank you all for your donations and your support in buying tickets! If you like these events and want us to continue then we will need the financial support too. Thank you to the BBQ Guys! Hope to have them back again next year with a faster service line, lol.

I want to Thank Linda Mathews, Mary Terberg, Linda DeSalvo, Jim Bertao, Glen Closson, Chris Jorgensen, Chris Thomas, Don Wadley, Jennifer Tanis (New Member!), Mike Wenrich, Zareh Ohanian, Kim Sievert, Mike Fedyk, Nancy Porter, Carole Parma, Christina Verissimo and Don Gomes for volunteering their much appreciated time at the MVCC HQ Merchandise Booth at this event. Some event came all 3 days we were open to help with another shift! This is probably the first year since taking office that Don, Christina and myself were able to really see our spring meet like everyone else, **OUTSTANDING**, thank you. Volunteering is also a great way to meet new people and make new friends in the MV world...

Thank you to Tim Coolbaugh for putting together the Knight Foundry Run and Museum Tour. The drive to and from the Foundry had some really beautiful scenery, what a view! Knight Foundry (founded in 1873) was spectacular, the machines and the place itself had tons of history. If your into machines/tools or history this place is for you.

Before we left Camp Plymouth the board was hard at work securing the new location as well as making plans for next year. I do hope we are able to repeat this year’s event next year. Anyone up for a Hummer Showcase next year? There are quite a few Hummer’s in the MVCC that might want to come to Camp Plymouth next year. I’ll ask Kurt Lesser if he wants to help put that together? Maybe?

Don’t forget this is an election year, Vote! As always, any questions or concerns just email me with them and I’ll get back to you asap. **Lastly, I want to thank Christina**, my wife and club treasurer, your pretty awesome! J
